**Summary of reasons for decision:**

This game comprises additional material for the previously classified console game 'Borderlands 2' which was classified R16 with the descriptive note "contains violence". The decision was registered on 12 July 2012.

'Borderlands 2' is a first-person "shooter" with a sci-fi/fantasy setting. The player character is one of four warriors chosen to defend the planet of Pandora against an ancient evil. The violence depicted in the extra material for this Game of the Year Edition is consistent with the level and types of violence depicted in the previously classified version. There is nothing in this version of the game that requires an alteration to the classification or descriptive note given to the previously classified version.
